The **2016 REPORT ON THE STATUS OF WOMEN IN LOS ANGELES COUNTY** was commissioned by the Los Angeles County Commission for Women (LACCW) and prepared by Mount Saint Mary's University.

The purpose of this report is to present the data and trends that can help guide the LACCW and county leaders in addressing the interests and concerns of all Los Angeles County women. This snapshot of how women are faring across a variety of indicators is based on the best available recent data about Los Angeles County, particularly the U.S. Census Bureau's 2014 American Community Survey (released in Fall 2015). For the full report and citations, visit laccw.lacounty.gov.

The Los Angeles County Commission for Women (LACCW)

represents the interests and concerns of women of all races, ethnic and cultural backgrounds, religious convictions, social circumstances and sexual orientation. For more information about LACCW and its work, visit laccw.lacounty.gov.
